اللَّهُمَّ لا سَهْلَ إِلَّا ما جَعَلْتَهُ سَهْلًا، وأنتَ تَجْعَلُ الحَزْنَ إذا شِئْتَ سَهْلًا — صلِّ على النبي ﷺ

Part A · Past Exam Questions

أسئلة الدفعات السابقة

1 The key characteristic of the educational process in nursing is: — فاينال ترم أول 2025 (صور الجروب)

a. Being a systematic and planned course of action
b. Unstructured and spontaneous by nature
c. Focusing on theoretical knowledge
d. Excluding the learner from the process

2 What is teaching? Teaching is a process of ..... تكرر في 2 مصادر — فاينال ترم أول 2025 (صور الجروب)

a. Building strength to perform well on sports day
b. Giving moral and financial support
c. Attending to people's needs, experience and feelings
d. Helping others to grow physically and psychologically

3 Which of the following best defines learning in nursing education? — فاينال ترم أول 2025 (صور الجروب)

a. A passive process of receiving information
b. A focus mainly on memorization
c. A process of relative changing of behavior
d. A process that does not require feedback

4 The 'matter/content' in the teaching-learning process is significant because it: فاينال ترم أول 2025 (صور الجروب)

a. Refers to the teaching methods
b. Is unrelated to the subject matter
c. Directs the emotional environment
d. Specifies what is to be learned based on objectives

5 Which of the following is essential for establishing a conducive learning environment? فاينال ترم أول 2025 (صور الجروب)

a. A rigid structure with no flexibility
b. A stimulating and positive atmosphere
c. A focus on passive learning methods
d. A lack of teacher-student interaction

6 Which of the following is a limitation of concept maps in nursing education? فاينال ترم أول 2025 (صور الجروب)

a. They can be time-consuming to develop
b. They inhibit creativity
c. They decrease memorization
d. They need more than one person

7 A mind map can be used to analyze a patient case study by: فاينال ترم أول 2025 (صور الجروب)

a. Listing signs without connections
b. Organizing visually patient data, diagnoses and interventions
c. Avoiding visual elements
d. Concentrating only on theory

8 Which learning method is more appropriate for developing a nursing care plan and why? فاينال ترم أول 2025 (صور الجروب)

a. Mind map, due to its flexibility
b. Concept map, due to its structured methodology
c. Both equally effective
d. Neither is appropriate

9 A concept map can be used to identify gaps in a nursing student's knowledge through: فاينال ترم أول 2025 (صور الجروب)

a. Avoiding connections between concepts
b. Analyzing missing or incorrect connections between concepts
c. Memorization of facts
d. Replacing traditional assessments

10 Which of the following indicates the importance of using a valid evaluation tool? فاينال ترم أول 2025 (صور الجروب)

a. Easier to be graded
b. Tests only memorized knowledge
c. Ensures the tool measures what it is supposed to measure
d. Covers the cognitive domain totally

11 **Formative feedback is considered effective in nursing education when students:** فاينال ترم أول 2025 (صور الجروب)

a. Receive average grades on summative assessments
b. Express satisfaction with feedback
c. Require less supervision
d. Demonstrate improvement in next assessments

12 **The key participant in the teaching and learning process is:** ميدترم ترم تاني 2025 (صور الجروب)

a. Teacher
b. Auditor
c. Content
d. Learner

13 **The element of teaching and learning that consists of purposeful, planned activities and tasks used by the teacher and learners to bring the intended outcomes is:** ميدترم ترم تاني 2025 (صور الجروب)

a. Method
b. Education
c. Environment
d. Content

14 **Relevance is a factor that affects the learning process as the client:** تكرر في 2 مصادر ميدترم (ملف Quizzes & Midterm Answers)

a. Is actively involved in the learning process meaningfully
b. Takes feedback properly to support the desired goal
c. Connects new information with what is already known
d. Moves from simple to complex to understand

15 **Benefits of health teaching include:** تكرر في 3 مصادر ميدترم (ملف Quizzes & Midterm Answers)

a. Hinder coping abilities
b. Minimize independence
c. Increase length of hospital stays
d. Promotion of wellness

16 **Formal communication means sharing information with friends and peers. (True / False)** ميدترم (ملف Quizzes & Midterm Answers)

a. True
b. False

17 **Non-verbal communication includes:** تكرر في 2 مصادر ميدترم (ملف Quizzes & Midterm Answers)

a. Saying correctly what has been said
b. Judging previously about the client
c. Using facial expression and bodily contact
d. Using spoken or written words

18 **An affective objective for an educational session about family planning is:** ميدترم (ملف Quizzes & Midterm Answers)

a. Differentiate between different family planning methods
b. Compare between different family planning methods
c. State willingness regarding use of family planning
d. Give health knowledge about family planning

19 **Which one is a correct objective related to the cognitive domain?** (Quizzes & Midterm Answers ملف ميدترم)

a. The students will apply dressing technique in a proper way
b. New mothers will feel less isolated and tensed
c. The learner will enumerate 5 causes of gastroenteritis
d. The mothers will perform breast self-examination

20 **The act of decoding in the communication process is:** تكرر في 2 مصادر (Quizzes & Midterm Answers ملف ميدترم)

a. Sender's conversion of message into symbols
b. Medium through which the sender conveys the message
c. Feedback given by the senders and receivers
d. Receiver's translation of message into an understandable form

21 **Which of the following is relevant to a learning goal?** (Quizzes & Midterm Answers ملف ميدترم)

a. Global & broad in nature
b. Begins with an action verb
c. Achieved before the objectives
d. Specific & single behavior

22 **To facilitate retention of newly learned materials, the teacher should:** (Quizzes & Midterm Answers ملف ميدترم)

a. Repeat concept
b. Give feedback
c. Motivate client
d. Actively involved

23 **The affective domain is measured by an observational checklist. (True / False)** (Quizzes & Midterm Answers ملف ميدترم)

a. True
b. False

24 **Feedback is important in teaching to:** (Quizzes & Midterm Answers ملف ميدترم)

a. Promote critical thinking to solve problems
b. Facilitate retention of newly learned material
c. Relate a person's performance to a desired goal
d. Connect new knowledge to what is already known

25 **One-way communication is suitable for:** تكرر في 2 مصادر (Quizzes & Midterm Answers ملف ميدترم)

a. Asking questions
b. Getting feedback
c. Simple directions
d. Problem solving

26 **For writing a measurable objective, the statement must:** (Quizzes & Midterm Answers ملف ميدترم)

a. Begin with an action verb
b. Include two outcomes
c. Include teacher outcomes
d. Begin with a broad verb

27 **The most difficult objective to be evaluated is:** (Quizzes & Midterm Answers ملف ميدترم)

a. Knowledge
b. Motivation
c. Psychomotor
d. Affective

28 Non-verbal communication includes: تكرر في 2 مصادر

ميدترم (ملف ميدتيرم stratigy)

a. Spoken or written words
b. Judgment about the client
c. Facial expression and posture
d. Oral conversation

29 Which of the following educational objectives is an example of the affective domain? تكرر في 2 مصادر

ميدترم (ملف ميدتيرم stratigy)

a. Perform breast self-examination on a doll
b. Calculate the correct number of fat grams
c. Display consistency in hand washing techniques
d. Complete the physical assessment form

30 ..... is the standard or criterion for judging the behavioral performance.

ميدترم (ملف ميدتيرم stratigy)

a. Degree
b. Circumstances
c. Condition
d. Category

31 The overall plan for a learning experience is considered as: تكرر في 2 مصادر

ميدترم (ملف ميدتيرم stratigy)

a. Teaching strategy
b. Learning styles
c. Readiness to learn
d. Learning needs

32 One-way communication is suitable for: تكرر في 2 مصادر

ميدترم (ملف ميدتيرم stratigy)

a. Getting feedback
b. Problem solving
c. Simple directions
d. Asking questions

33 The act of decoding in the communication process is: تكرر في 2 مصادر

ميدترم (ملف ميدتيرم stratigy)

a. Sender's conversion of message into symbolic form
b. Medium through which the sender conveys the message
c. Receiver's translation of message into an understandable form
d. Feedback given by senders and receivers

34 Health ..... is a process that helps people to maintain healthy practices and life styles.

ميدترم (ملف ميدتيرم stratigy)

a. Education
b. Teaching
c. Promotion
d. Strategy

35 Relevance is a factor that affects the learning process as the client: تكرر في 2 مصادر

ميدترم (ملف ميدتيرم stratigy)

a. Is involved in the learning process meaningfully
b. Takes feedback to support the desired behavior
c. Connects new information with what is already known
d. Moves from simple to complex

36 Benefits of health teaching include: تكرر في 3 مصادر

ميدترم (ملف ميدتيرم stratigy)

a. Hinder of coping abilities
b. Increase length of hospital stays
c. Keep illness and sickness
d. Maximize independence

37 Negative feedback effects include one of the following: (ميدترم (ملف ميدتيرم stratigy)

a. Anger and withdrawal from learning
b. Adequate performance to a desired goal
c. Retention of newly learned materials
d. Self-confidence in ability to learn

38 Which one of the following is a characteristic of an objective? (ميدترم (ملف ميدتيرم stratigy)

a. Long term
b. Uni-dimension
c. Vague and not measurable
d. Global and broad

39 The director of the teaching and learning process is: (كويز 1 استراتيجيات التدريس (Microsoft Forms)

a. Teacher
b. Learner
c. Auditor
d. Content

40 In which phase of the teaching-learning process does the nurse educator develop a teaching plan based on mutually pre-determined behavioral outcomes to meet individual needs? (كويز 1 استراتيجيات التدريس (Microsoft Forms)

a. Assessment
b. Implementation
c. Evaluation
d. Planning

41 In the context of nursing education, feedback is most beneficial for learners' learning when it: (كويز 1 استراتيجيات التدريس (Microsoft Forms)

a. Focuses only on what the learners did wrong
b. Is specific, constructive and timely, showing strengths and areas for improvement
c. Is vague and general, avoiding critical assessment
d. Is given only at the end of a course or clinical rotation

42 Which of the following is an advantage of using concept maps to teach complex topics? (كويز 2 استراتيجيات التدريس (Microsoft Forms)

a. They simplify topics by eliminating detailed linear information
b. They allow students to visualize connections and organize their thoughts logically
c. They focus on individual performance rather than understanding

43 When designing a concept map for a lesson, what is the first step a teacher should take? (كويز 2 استراتيجيات التدريس (Microsoft Forms)

a. Start connecting random ideas with lines
b. Identify key concepts and their relationships
c. List all possible student questions
d. Choose a grading rubric for the map

44 The primary benefit of using role-play in the classroom is to: (كويز 2 استراتيجيات التدريس (Microsoft Forms)

a. Allow students to practice memorization skills
b. Foster collaborative problem-solving and empathy
c. Emphasize individual competition
d. Focus solely on theoretical knowledge

45 How does a mind map differ from a traditional linear note-taking method? كويز 2 استراتيجيات التدريس (Microsoft Forms)

a. A mind map presents information in a non-linear, visual format that connects ideas
b. A mind map lists information sequentially for easy reading
c. A mind map is used exclusively for numerical data
d. A mind map avoids using any visual elements or color coding

46 Which innovative teaching strategy is particularly effective for encouraging creativity and critical thinking? كويز 2 استراتيجيات التدريس (Microsoft Forms)

a. Lecture-based teaching
b. Mind mapping
c. Drill-and-practice exercises

47 In the 'Think, Pair, Share' strategy, the main purpose of the 'pair' step is to: كويز 2 استراتيجيات التدريس (Microsoft Forms)

a. Assess individual understanding through quizzes
b. Create a visual representation of knowledge
c. Encourage peer-to-peer discussion and idea exchange
d. Provide a lecture on the topic

48 Which innovative teaching strategy most effectively encourages students to connect prior knowledge with new information? كويز 2 استراتيجيات التدريس (Microsoft Forms)

a. Role-play
b. Concept mapping
c. Lecture-based learning
d. Jigsaw

49 A learning objective is a statement of something students should: كويز 2 استراتيجيات 2025 (ترم أول)

a. Learn
b. Know
c. Do
d. Understand

50 According to Bloom's taxonomy, which performance assesses learning at the understanding level? كويز 2 استراتيجيات 2025 (ترم أول)

a. Giving an example of the related concept
b. Analyzing the concept into its components
c. Applying the concept in a different context
d. Stating the concept meaning in one's own words

51 Students' active participation can be enhanced in learning through: كويز 2 استراتيجيات 2025 (ترم أول)

a. Whole class instruction
b. Independent study
c. Flexible grouping
d. Lecture-based teaching

52 Providing students with feedback immediately on their assignment will: كويز 2 استراتيجيات 2025 (ترم أول)

a. Help students improve their writing skills through timely guidance
b. Allow the teacher to quickly grade and move on
c. Ensure that students do not forget the content
d. Encourage competition among students

53 Which learning domain do values and motivation fall under? كويز 2 استراتيجيات 2025 (ترم أول)

a. Cognitive
b. Affective
c. Psychomotor
d. Communication

54 What is the first item entered into a mind map? كويز 2 استراتيجيات 2025 (ترم أول)

a. The main idea or concept
b. The supporting ideas
c. The detailed plans
d. The organizational chart

55 What is the meaning of the acronym SMART in the context of educational objectives? كويز 2 استراتيجيات 2025 (ترم أول)

a. Specific, Measurable, Attainable, Realistic, Tangible
b. Specific, Meaningful, Achievable, Relevant, Timely
c. Simple, Manageable, Attainable, Relevant, Timed
d. Specific, Measurable, Achievable, Realistic, Timely

56 What is the primary ability associated with the synthesis level in the cognitive domain? كويز 2 استراتيجيات 2025 (ترم أول)

a. Evaluate the quality of information
b. Combine parts into a unified whole
c. Analyze information into components
d. Remember facts and concepts

57 In the education process, the aim of educational objectives is to define: كويز 2 استراتيجيات 2025 (ترم أول)

a. Instructional materials
b. Assessment criteria
c. Teaching methods
d. Intended outcomes

58 What aspect of performance does the criterion in a behavioral objective specify? كويز 2 استراتيجيات 2025 (ترم أول)

a. Learning materials
b. Content knowledge
c. Accuracy and time frame
d. Teaching methods

59 In Bloom's cognitive domain, the application level is defined as the ability to: كويز 2 استراتيجيات 2025 (ترم أول)

a. Remember facts and concepts
b. Understand information
c. Analyze and evaluate information
d. Use ideas or principles in specific situations

60 Which scenario would most likely be an example of an academic use of role playing? كويز 2 استراتيجيات 2025 (ترم أول)

a. Preparing to ask for a raise at the workplace
b. Practicing difficult conversations with relatives
c. Relating a historical event in a dramatic way
d. Helping a child practice his homework quickly

61 Which of the following is NOT a typical characteristic of a concept map? كويز 2 استراتيجيات 2025 (ترم أول)

a. It is hierarchical, from top to bottom
b. Lines/arrows connect concepts showing relationships
c. Arrows have linking phrases describing the relationship
d. The main topic is placed in the center and subtopics branch out from it

62 Which of the following is more correct about teaching? كويز 1 استراتيجيات – ترم تاني 2025

a. A system of actions intended to produce learning
b. An activity which invariably requires a teacher
c. Is meant for completion of prescribed syllabus
d. A process of involving students in classroom activities

63 What is teaching? Teaching is a process of ..... تكرر في 2 مصادر كويز 1 استراتيجيات – ترم تاني 2025

a. Building enough strength to perform well during sports day
b. Giving others moral support, helping them financially and socially
c. Attending to people's needs, experience and feelings
d. Helping others to grow physically and psychologically

64 Assessment and evaluation help in the teaching-learning process because it: كويز 1 استراتيجيات – ترم تاني 2025

a. Allows the teacher to grade students quickly
b. Helps to evaluate student progress
c. Serves no purpose other than to check attendance
d. Is only relevant for summative exams

65 An action by which knowledge, skills, and attitudes are acquired to alter behavior in some way; this is a definition of: كويز 1 استراتيجيات – ترم تاني 2025

a. Education
b. Assessment
c. Learning
d. Teaching

66 Formal teaching takes place at: أسئلة سابقة

a. Specific time and place
b. Specific place and any topic
c. Any time and any place
d. Any time and specific topic

67 To facilitate retention of newly learned materials, the teachers should: أسئلة سابقة

a. Motivate client
b. Repeat concept
c. Give feedback
d. Actively involved

68 Health education process includes: أسئلة سابقة

a. Caregiver, teacher and leaning outcomes
b. Teacher, colleague and learning outcome
c. Learner, caregiver and learning outcomes
d. Teacher, learner, learning activities and outcomes

69 **Motivation in learning is generally greatest when the learner:** أسئلة سابقة

a. Recognize a need which will be met through learning
b. Involve in the process of learning in meaningful way
c. Connect the new knowledge with another bad experience
d. Disinterested, stressed, fearful and have anxiety

70 **The overall plan for a learning experience is considered as:** تكرر في 2 مصادر أسئلة سابقة

a. Teaching strategy
b. Learning styles
c. Readiness to learn
d. Learning needs

71 **The objective that is concerned with client's feelings is:** أسئلة سابقة

a. Cognitive
b. Intellectual
c. Psychomotor
d. Affective

72 **For w riti ng measurable objective, statement must:** أسئلة سابقة

a. Includes teacher outcomes
b. Begins with an action verb
c. Includes two outcomes
d. Begins with broad verb

73 **Whic h of the following educational objectives is an example of the affective domain?** أسئلة سابقة
تكرر في 2 مصادر

a. Perform breast self-examination on a doll
b. Calculate the correct number of fat grams
c. Express all anxious feeling without shame
d. Complete the physical assessment form

74 **The objective that is concerned with learning skills is:** أسئلة سابقة

a. Cognitive
b. Intellectual
c. Psychomotor
d. Affective

75 **Which learning principle can be applied when clients with heart disease need to know the effects of smoking before they recognize the need to stop smoking?** أسئلة سابقة

a. Emotion
b. Motivation
c. Repetition
d. Relevance

76 **The main purpose of formative evaluation is to:** أسئلة سابقة

a. Evaluate the content and the knowledge that is acquired
b. Determine the effects or outcomes of the teaching effort
c. Summarize all what happened as a result of education
d. Make adjustments in educational activities when needed

77 You are assigned to give an educational session about proper weaning practice. which of the following is a correct example of objectives to this session : At the end of the session, the mothers will be able to: أسئلة سابقة

a. Apply proper technique of weaning practice
b. Raise awareness regarding weaning practice
c. Giving health knowledge about weaning practice
d. Facilitate attitude change about weaning practice

78 One of the resources needed in planning for health education is the: أسئلة سابقة

a. Evaluation of process and outcome
b. People who influence clients
c. Feedback that will be presented
d. Change in behavior or knowledge

79 The way that the teacher uses to bring the learner into contact with the content to be learned is considered as: أسئلة سابقة

a. Teaching method
b. Teaching strategy
c. Block plan
d. Timetable

80 The teaching method in which teacher verbally transmits information directly to groups of learners for the purpose of instruction is: أسئلة سابقة

a. Lecture
b. Self-learning
c. Return demonstration
d. Group discussion

81 Unprepared dramatization is used in: أسئلة سابقة

a. Demonstration
b. Role-play
c. Simulation
d. Self-learning

82 One advantage of simulation includes: أسئلة سابقة

a. Cognitive domain
b. Theory than practice
c. No time to accomplish
d. Increase motivation, interests

83 One of the most important advantages of using blackboards & whiteboards is: أسئلة سابقة

a. Promoting learning in cognitive and affective domain
b. Good for explaining particular points
c. Having equipment non portable and expensive in nature
d. Being fast-forwarded or reversed to find a certain point

84 One of the advantages of leaflets, handout & other written materials is: أسئلة سابقة

a. Illustrating diagrams
b. Enhancing brain storming
c. Allowing for self-learning
d. Nothing to break down

85 The type of evaluation that can be made after one session is: أسئلة سابقة

a. Outcome evaluation
b. Formative evaluation
c. Summative evaluation
d. Impact evaluation

86 **Benefits of health teaching include:** تكرر في 3 مصادر

أسئلة سابقة

a. Hinder of coping abilities
b. Increase length of hospital stays
c. Promotion of wellness
d. Minimize independence

87 **Principles of health education include:**

أسئلة سابقة

a. Use fear as a motivator as it improves learning
b. Discourage active participation of the learners
c. Reinforce progress and give proper feedback
d. Ignore beliefs and cultures of different learners

88 **Brainstorming is a good method of teaching, but it has some negative points as it**

أسئلة سابقة

a. Provides an opportunity for important ideas
b. Requires little equipment and tools
c. Is considered time consuming
d. Builds cooperative environment

89 **The teacher's responsibility in group discussion is to be sure that:**

أسئلة سابقة

a. Some participants are dominant while others passive
b. Every member has interpreted information correctly
c. The discussion is mainly based on collective ignorance
d. Skills is transferred correctly to the actual situation

90 **Negative feedback can lead to:**

أسئلة سابقة

a. Anger and withdrawal from learning
b. Adequate performance to a desired goal
c. Retention of newly learned materials
d. Self-confidence in ability to learn

91 **Writing learning objectives is performed during:**

أسئلة سابقة

a. Assessment phase
b. Planning phase
c. Implementing phase
d. Evaluating phase

92 **Choose the right setting in teaching is important to:**

أسئلة سابقة

a. Set priorities for teaching
b. Sort out thoughts & feelings
c. Maintain privacy & confidentiality
d. Expresses interest in learning

93 **Motivation in learning is generally greatest when the learner:**

أسئلة سابقة

a. Recognize a need which will be met through learning
b. Involve in the process of learning in meaningful way
c. Connect the new knowledge with another bad experience
d. Disinterested, stressed, fearful and have anxiety

94 **A peer evaluation is a method in which comments is taken from:**

أسئلة سابقة

a. Caregiver
b. Teacher
c. Client
d. Colleague

95 The type of evaluation that can be made after one session is: أسئلة سابقة

a. Outcome evaluation
b. Formative evaluation
c. Summative evaluation
d. Impact evaluation

96 Which o ne is a correct objective related to cognitive domain: أسئلة سابقة

a. Increase parents' knowledge regarding baby vaccination
b. New mothers will feel less isolated, tensed and stressed
c. The mothers will perform breast self examination correctly
d. The students will apply dressing technique in proper way

97 The specific strategies to increase the effectiveness of a lecture is: أسئلة سابقة

a. Careful preparation of the contents
b. No rapport should be established
c. Keep within the time allotted
d. Identify objectives significance

98 One of the following strategies is used for lower level of cognitive learning: أسئلة سابقة

a. Discussion
b. Role-modeling
c. Lecture
d. Simulation

99 Health consciousness goal is concerned with: أسئلة سابقة

a. Changing what people feel or believe
b. Raising awareness of a health issue
c. Actually changing clients' behavior
d. Adapting clients 'physical environment

Part B · NCLEX-Style Practice

أسئلة على طريقة NCLEX (إضافة)

N1 Which objective belongs to the affective domain? NCLEX

a. List 3 signs of hypoglycemia
b. Demonstrate insulin injection
c. Express feelings about the diagnosis
d. Calculate insulin dose

N2 A measurable behavioral objective must begin with: NCLEX

a. A broad verb like 'understand'
b. An action verb
c. The teacher's outcome
d. Two outcomes

N3 Select ALL components of a behavioral objective (ABCD). SELECT ALL

a. Audience
b. Behavior (action verb)
c. Condition
d. Degree/criterion
e. Duration of the course

N4 Evaluation done during teaching to adjust activities is: NCLEX

a. Summative
b. Formative
c. Outcome
d. Impact

N5 **Which teaching method is best for psychomotor skills?** NCLEX

a. Lecture
b. Demonstration and return demonstration
c. Leaflets
d. Brainstorming

N6 **In Bloom's taxonomy, combining parts into a unified whole is:** NCLEX

a. Knowledge
b. Application
c. Synthesis
d. Comprehension

Part C · Quizlet Flashcards

كروت مراجعة سريعة

غطّي العمود الأبيض بورقة واختبر نفسك: شوف المصطلح وقول التعريف.

Teaching	System of actions intended to produce learning.	**Teacher**	Director of the TLP.
Learner	Key participant.	**Method**	Planned activities to bring intended outcomes.
Teaching strategy	Overall plan for a learning experience.	**Cognitive domain**	Knowledge (enumerate, list).
Affective domain	Feelings/values; hardest to evaluate.	**Psychomotor domain**	Skills (demonstrate).
ABCD objective	Audience, Behavior, Condition, Degree.	**SMART**	Specific, Measurable, Achievable, Realistic, Timely.
Formative vs summative	During (adjust) vs end (outcomes).	**Concept vs mind map**	Hierarchical with linking words vs central idea branching.

Answer Key

الإجابات

1. a — Being a systematic and planned course of action
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

2. c — Attending to people's needs, experience and feelings
إجابة مقترحة (المصدر مفيهوش إجابة رسمية). في الصورة الطالب اختار (helping others to grow) واتصحّح بالأخضر على (attending to people's needs, experience and feelings).

3. c — A process of relative changing of behavior
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

4. d — Specifies what is to be learned based on objectives
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

5. b — A stimulating and positive atmosphere
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

6. a — They can be time-consuming to develop
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

7. b — Organizing visually patient data, diagnoses and interventions
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

8. b — Concept map, due to its structured methodology
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

9. b — Analyzing missing or incorrect connections between concepts
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

10. c — Ensures the tool measures what it is supposed to measure
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

11. d — Demonstrate improvement in next assessments
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

12. d — Learner
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

13. a — Method
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

14. c — Connects new information with what is already known
الملف ده إجاباته متعلّمة بالأصفر من الدفعة. سؤال التوصيل (learning / TLP / communication / teaching / goal) اتشال لأن الصورة مقصوصة.

15. d — Promotion of wellness

16. b — False

17. c — Using facial expression and bodily contact

18. c — State willingness regarding use of family planning

19. c — The learner will enumerate 5 causes of gastroenteritis

20. d — Receiver's translation of message into an understandable form

21. a — Global & broad in nature

22. a — Repeat concept

23. b — False
affective ؛ الـ(psychomotor) بالملاحظة بيقيس المهارات الـ checklist صعب يتقاس.

24. c — Relate a person's performance to a desired goal

25. c — Simple directions

26. a — Begin with an action verb

27. d — Affective

28. c — Facial expression and posture

29. c — Display consistency in hand washing techniques

30. a — Degree

31. a — Teaching strategy

32. c — Simple directions

33. c — Receiver's translation of message into an understandable form

34. a — Education

35. c — Connects new information with what is already known
