أسئلة سابقة

جنب كل سؤال مصدره. لو السؤال اتكرر في كذا امتحان مكتوب كل مرة بمصدرها، وعليه علامة "تكرر". الإجابات كلها في آخر الملف.

اللَّهُمَّ لا سَهْلَ إِلَّا ما جَعَلْتَهُ سَهْلًا، وأنتَ تَجْعَلُ الحَزْنَ إذا شِئْتَ سَهْلًا — صلِّ على النبي ﷺ

Part A · Past Exam Questions

أسئلة الدفعات السابقة

1 What is the most important ethical principle in pediatric care? — أسئلة سابقة

a. Respecting the child's wishes
b. Acting in the best interest of the child
c. Treating everyone fairly
d. Always telling the truth

2 When can a child consent to medical treatment without parental permission? — أسئلة سابقة

a. Never
b. If they understand the risks
c. If they are legally emancipated
d. Only when parents are present

3 What should a nurse do if they suspect child abuse? — أسئلة سابقة

a. Ignore it until confirmed
b. Report it to the appropriate authorities immediately
c. Ask the child for confirmation
d. Wait for someone else to report it

4 When can a doctor make an urgent medical decision without parental consent? — أسئلة سابقة

a. If the child does not want parents to know
b. If the child's condition is life-threatening
c. If the doctor is too busy to wait
d. If the child's friends request it

5 What is the main goal of the 'best interest principle' in pediatric decisions? أسئلة سابقة

a. Always following the doctor's opinion
b. Making the decision that benefits the child the most
c. Ensuring parents always decide
d. Letting the child decide without interference

6 In which situation can a child receive confidential medical treatment? أسئلة سابقة

a. Mild headache
b. Sexually transmitted infections (STIs)
c. Broken arm
d. Fever

7 Which legal document determines who can make medical decisions for a child if parents are unavailable? أسئلة سابقة

a. Medical will
b. Power of attorney
c. Parental consent form
d. Do-not-resuscitate (DNR) order

8 When treating a child with divorced parents, what is the key legal consideration? أسئلة سابقة

a. Only the custodial parent can consent
b. Both parents must always agree
c. Any parent with legal custody can consent
d. A court order is required

9 If parents disagree about their child's medical treatment, what usually happens? أسئلة سابقة

a. The doctor decides alone
b. The child is left untreated until parents agree
c. The court intervenes in significant cases
d. The child decides independently

10 Why don't children have full rights to make their own medical decisions? أسئلة سابقة

a. Children do not understand anything
b. Children have no legal rights
c. They may not have the full ability to make complex decisions
d. Only parents have the right to decide

11 A 14-year-old asks the nurse not to tell the parents about a sexual-health discussion. What is the most ethical action? أسئلة سابقة

a. Inform the parents immediately, as they are legally responsible
b. Respect the adolescent's privacy unless there is a safety concern
c. Refuse to discuss the topic without a parent present
d. Document it without informing the adolescent

Part B · NCLEX-Style Practice

أسئلة على طريقة NCLEX (إضافة)

N1 **Which ethical principle means equal distribution of nursing care according to priorities and need?** NCLEX

a. Autonomy
b. Justice

d. Tell the school only

Part C · Quizlet Flashcards

كروت مراجعة سريعة

غطّي العمود الأبيض بورقة واختبر نفسك: شوف المصطلح وقول التعريف.

Ethics	Science of principles of right and wrong conduct.	**Code of ethics**	Guidelines for nurse behavior and framework for ethical decisions.
Autonomy	The person's independence/self-determination.	**Beneficence**	To do good; positive action to help.
Non-maleficence	Do no harm.	**Justice**	Equal distribution of care according to priority and need.
Medicolegal dilemma	Decision that must be clinically sound, legally defensible and ethically justified — child's best interest first.	**Child Law 12/1996**	Marriage under 18 illegal; denial of healthcare = abuse; mandates child protection.
FGM Law 126/2008	FGM illegal; physician must refuse and may report.	**Public Health Law**	Isolation of infectious TB until treated.
Vaccination regulations	Polio & meningococcal mandatory for school entry.	**Organ donation law**	No living organ donation from children under 18.

Answer Key

الإجابات

1. b — Acting in the best interest of the child
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

2. c — If they are legally emancipated
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

3. b — Report it to the appropriate authorities immediately
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

4. b — If the child's condition is life-threatening
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

5. b — Making the decision that benefits the child the most
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

6. b — Sexually transmitted infections (STIs)
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

7. b — Power of attorney
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

8. c — Any parent with legal custody can consent
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

9. c — The court intervenes in significant cases
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

10. c — They may not have the full ability to make complex decisions
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

11. b — Respect the adolescent's privacy unless there is a safety concern
إجابة مقترحة (المصدر مفيهوش إجابة رسمية).

N1. b — Justice
Justice = fair distribution of care based on need and priority.

N2. b — Politely refuse the gift
Professional responsibilities include refusing gifts from patients or families.

N3. a, b, c, d — Right to live; Right to privacy; Protection from danger; Right to treatment
The six rights: live, privacy, protection from danger, treatment, feeding and interacting with others.

N4. b — Get down to the child's eye level and build trust with the parent present
Putting yourself at the child's level and involving parents reduces fear and builds trust.

N5. b — Seek a court order/intervention while documenting the refusal
The child's best interest overrides parental autonomy in life-threatening situations; legal intervention is sought.

N6. b — Refused, with counselling and reporting if harm was done
FGM is illegal (Law 126/2008, strengthened 2016).

N7. a, b, d — Life-threatening emergency; Abandoned (street) child with pneumonia; Child protection case of abuse
Emergencies, abandoned children and protection cases allow treatment without parental consent; elective surgery does not.

N8. b — Notify the Ministry of Health and enforce isolation
Public Health Law mandates isolation of infectious TB until treated.
